Material name and specification

Other Info

Material:
80% quartz

Finishing: Gray Color, non-stick
Come with cup odor-stop stainless steel drainer kit

Application and features

- Non-porous and easy to clean
- Scratch and stain resistant
- Hygienic naturally
- Heat and impact resistant
- Elegant corners and noise canceling

Notes

Quartz sink is brittle, be careful during transportation and installing.

The over flow function in drainer kit is optional for consumer. If Consumer want to have overflow function, they need to ask installer to use a diamond drill to make a hole on the side of sink and install the over flow tube.
